

Week Report

Project	(project name)	Week	44
Name	Ghazal Shojaee	Date	04-11-2013

Achievements

- I read the past documentations
- Met Lorenzo and Andrea to take some information about data that are used in DB of the project
- Worked on the formulas

Problems

Plans for the next week

- Meet the customers
- Work on project design with Lorenzo
- Assign a meeting with my colleagues to work on the italian pdf and turn into english
- If there will be enough time, starting some implementation of coding.
