

MÄLARDALENS HÖGSKOLA

Week Report

Project	Real-time Bridge Monitoring	Week	02
Name	Marko Brčić	Date	13.01.14

Achievements

- Deployed the newest version of app to virtual machine
- Updated the class diagrams
- Updated the page sketches in design document
- Updated the class diagrams in design document
- Made the presentation in Prezi
- Configured the VM so the app can work with pictures
- Changed the code so the app doesn't have the pictures hard-coded, rather to fetch the last one parsed for both cameras

Problems

- Other team members not knowing how to edit Prezi

Plans for the next week	
<ul style="list-style-type: none"> No work :-)
